March 14, 2025

Matthew Daugherty, PT, DPT, OTR/L  
Program Director  
Perdoceo Education Corporation Orthopaedic Residency  
1 University Blvd  
Saint Augustine, FL 32086  
UNITED STATES

Dear Dr. Daugherty:

The American Board of Physical Therapy Residency & Fellowship Education (ABPTRFE) Executive Committee met on March 14, 2025 to review and approve the program's proposed new ownership. This letter serves to inform the program that ABPTRFE approved the new ownership.

ABPTRFE's approach to accreditation emphasizes practices of continuous improvement and quality enhancement driven by the program's mission. The accreditation process does not assume a single model for improvement, but reflects an understanding that continuous improvement is a process that can follow various paths to demonstrate excellence in residency and fellowship education. The program is encouraged to regularly review the ABPTRFE Processes and Procedures and Quality Standards to ensure ongoing compliance.

Please keep ABPTRFE informed on a continual basis of new developments undertaken by the program in the years to come. Again, we congratulate you and your team on this approved substantive change. Should you have any questions, please feel free to contact ABPTRFE staff.

Sincerely,

Terrence Gerald McGee, PT, DScPT  
Board-Certified Clinical Specialist in Orthopaedic Physical Therapy  
Chair, American Board of Physical Therapy Residency & Fellowship Education

March 5, 2025

Kelly Bossola, PT, MSPT  
Program Director  
Saint Francis University Pediatric Residency  
PO Box 600  
Loretto, PA 15940  
UNITED STATES

Dear Dr. Bossola:

A program maintains accreditation on an ongoing basis by remaining in continuous compliance with all ABPTRFE Quality Standards, procedures, and eligibility requirements. This ongoing compliance includes educating participants in support of its mission, fulfilling all ABPTRFE reporting requirements in a timely manner, maintaining compliance with all applicable local, state, and federal requirements, and, finally, paying all ABPTRFE fees.

Every year, ABPTRFE requires an Annual Continuous Improvement Report (ACIR) be submitted by all accredited residency and fellowship programs by January 31. An accredited program that fails to submit the ACIR and annual fee on time receives a delinquency notice. If ABPTRFE does not receive a response from the program, its annual fee, and completed ACIR within 30 days, accreditation is withdrawn effective January 31.

This letter is to inform you that Saint Francis University Pediatric Residency failed to submit its Annual Continuous Improvement Report and Annual Fee on January 31, 2025 and received a written notice of delinquency on February 4, 2025.

The program failed to submit its Annual Continuous Improvement Report and Annual Fee within 30 days of the delinquency notice. Therefore, the program's accreditation has been withdrawn effective January 31, 2025.

Should you have any questions, please feel free to contact ABPTRFE staff.

Sincerely,

A handwritten signature in black ink, appearing to read "Terrence G. McGee". The signature is fluid and cursive, with a long horizontal stroke at the end.

Kris Porter, PT, DPT  
Program Director  
The Jackson Clinics Upper Extremity Athlete Fellowship  
119 The Plains Rd  
Suite 100  
PO BOX 1769  
Middleburg, VA 20118  
UNITED STATES

Dear Dr. Porter:

A program maintains accreditation on an ongoing basis by remaining in continuous compliance with all ABPTRFE Quality Standards, procedures, and eligibility requirements. This ongoing compliance includes educating participants in support of its mission, fulfilling all ABPTRFE reporting requirements in a timely manner, maintaining compliance with all applicable local, state, and federal requirements, and, finally, paying all ABPTRFE fees.

Every year, ABPTRFE requires an Annual Continuous Improvement Report (ACIR) be submitted by all accredited residency and fellowship programs by January 31. An accredited program that fails to submit the ACIR and annual fee on time receives a delinquency notice. If ABPTRFE does not receive a response from the program, its annual fee, and completed ACIR within 30 days, accreditation is withdrawn effective January 31.

This letter is to inform you that The Jackson Clinics Upper Extremity Athlete Fellowship failed to submit its Annual Continuous Improvement Report and Annual Fee on January 31, 2025 and received a written notice of delinquency on February 4, 2025.

The program failed to submit its Annual Continuous Improvement Report and Annual Fee within 30 days of the delinquency notice. Therefore, the program's accreditation has been withdrawn effective January 31, 2025.

Should you have any questions, please feel free to contact ABPTRFE staff.

Sincerely,

A handwritten signature in purple ink, appearing to read "Terrence G. McGee". The signature is fluid and cursive, with a long horizontal stroke at the end.
